LETTER FROM THE PRESIDENT

Hello All,

I would like to introduce myself as the new president for the club. I am very excited to serve as the president for this club. I have volunteered as a board member for this club for numerous of years. We started with this club around 2012 with my daughter starting in the CanSkate program and now she is in an intermediate program.

Our club had to go through a lot of changes because of COVID-19 pandemic, but be assured we are following all of the protocols that the Province and Skate Canada has provided us, so that all skaters get a chance to skate and enjoy with being on the ice. I know in the recent months we've had to be very careful in regards with maintaining social distancing, wearing of a mask and sanitizing. We do this because of the safety of the skaters, coaches and all of the volunteers that help with our club. With COVID-19 pandemic there will be no competitions, no ice shows and reduced ice schedules, but with maintaining safety we are able to go on the ice.

I would also like to encourage all skating families to involve themselves with volunteering. When you volunteer you get to know other skating parents and you also get to know about our club. I would also encourage everyone to participate in our fundraising opportunities. We have our ongoing fundraising Flip Give and gift cards; also we will be doing fundraising on Neufeld Farms, Purdy's chocolates so be on a lookout for these.

If anyone have any concerns or questions or suggestions (we are always open for new ideas), you can contact any one of the board members or me on my email at tpsg2007@telus.net.

Regards,
Gurpreet Grewal
