

HAVE A JOYOUS HOLIDAYS!

NORTH SURREY FIGURE SKATING
CLUB

WINTER NEWSLETTER 2018

MESSAGE FROM THE PRESIDENT

Dear NSSC Families,

Congratulations to all of our skaters, who participated in Jingle Blades 2018! Each of you skated excellent programs. I have enjoyed receiving updates and highlights about the weekend. Parents, please share photos of your skaters. We would love to highlight their accomplishments.

Thank you to each family for participating in the NSSC fall fundraising event. Proceeds from our fundraising efforts assist in maintaining affordable skating fees. Please watch for our spring fundraising events, including a spring pub night.

On behalf of NSSC board of directors, Merry Christmas and Happy Holidays to each of our club members and families.

Sherri Birkett

President, North Surrey Skating Club

SPECIAL OLYMPICS TRAINING CAMP

North Surrey Skating Club's Special Olympics athletes participated in a world-class training session during the weekend of October 13 and 14, held in Coquitlam, BC.

Training sessions included: Goal Setting, Mental Training, Rules and Level, as well as many ice and dry-land training sessions. Attending athletes gained additional skating knowledge through the "Meet and Athlete" Session. Through the SOBC Figure Skating Performance Program athletes are provided tools to elevate their level of sport and ability.

The weekend of training concluded with a visit from Olympian Larkyn Austman, who participated in the 2018 Winter Olympics and was the bronze medalist at the 2018 Canadian Tire National Skating Championships held in Vancouver, BC.

North Surrey Skating Club appreciates the work and commitment of our Special Olympics coaches and volunteers. Our club extends a special thank you to Larkyn Austman for participating in the weekend training sessions.

TEST RESULTS FREESKATE & SKILLS
