Message from the President

Dear Families,

Congratulations to all of the NSSC skaters, who competed in this winter's various competitions along with those who tested during this time. We have included results in this issue of the newsletter. Those who are competing in the upcoming Star 1-4 competition will have their results posted in the spring newsletter.

The skaters are excited to present Ice Show 2019! What an exciting time, watching various aspects of practice. Photos taken on February 10th will be delivered to your skater within the next few weeks. Should you have any questions, our coaches will be happy to assist you. During these final practice weeks, please refer to your calendar, as practice may differ from your child's regular skating time.

I hope everyone enjoys the upcoming spring break. Registration has opened for spring skating. We look forward to seeing you at the ice show!

Sherri Birkett
President
